

Welcome to Occupy Madison!

What are our rights?

A. Occupy Madison did not get a permit for demonstration or assembly so we are in violation of the unlawful assembly law, and when we don't leave at night we will also be trespassing. Thus, participation does risk arrest.

B. Occupy Madison is based in a residential neighborhood. This means that noise is limited to 75 decibels or lower and no sound amplification is permitted.

C. Despite these facts, this is a public park, and so long as we maintain a large presence and cause no harm, Madison police should have no reason to remove us.
