

A RECALL FOR THE RECORDBOOKS

**OH
2011**

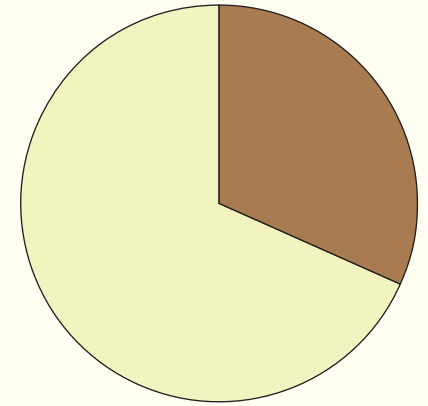

Ohio's recent massive movement to overturn the anti-union Senate Bill 5 through petition in 2011 resulted in **32%** of their 2010 electorate signing.

**CA
2003**

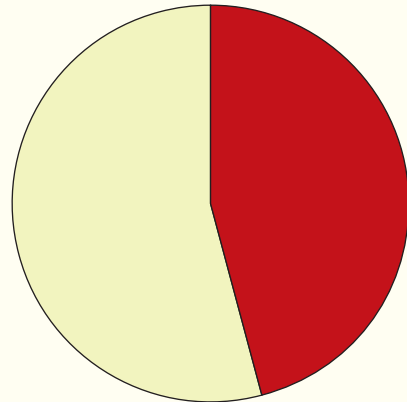

California's 2003 recall of Grey Davis was triggered when **23.4%** of their electorate signed the recall, inevitably ousting Governor Davis from office.

**ND
1921**

Going even further back, the 1921 recall election of Governor Lynn Joseph Frazier of North Dakota began when **31.8%** of their electorate signed the recall.

**WI
2012**

**Wisconsin has had 46%
of our 2010 electorate
sign this recall petition.**

**There simply is no modern equivalent
for this level of voter participation
in any recall movement in the United States.**
